

Revised 7/22/2020

Mother's Day Out Parents:

We are thrilled to have your child join our program this fall! You will discover that our program differs from traditional MDO programs because our focus is "movement oriented learning". Research shows that movement is the young child's preferred mode of learning - and that children learn **best** through active involvement. In other words, "physical literacy leads to academic literacy". Our movement oriented focus will set your child up for effective learning and lots of fun! For a detailed example of research that illustrates the benefits of learning through movement, see the link listed below.

Please read through this handbook and familiarize yourself with our policies and guidelines. We look forward to this opportunity to assist in developing your child's ability to shine!

RULES, TERMS, AND CONDITIONS

IMMUNIZATION POLICY

Students should be current on their immunizations as defined by Arkansas Department of Human Services (DHS). Parents will need to provide a copy of their child's immunization record to Sonshine Academy so this documentation can be kept on file.

FEES AND TUITION:

Price: \$258 per child

Tuition and fees are based on enrollment, not actual attendance. No refunds will be given for absence, vacation, or illness.

REGISTRATION

Parents may register their child by coming by the office at Sonshine Academy. The office is open Monday through Thursday 8:30 a.m. – 7:00 p.m., and Friday 8:30 a.m. – 6:00 p.m.

ANNUAL REGISTRATION FEE

The non-refundable annual registration fee of \$35 is due upon initial registration and is good for one year from the date of enrollment. **If your child's annual registration fee is already current, you do not need to pay this fee again until the time of your annual renewal.**

SUPPLY FEE

The non-refundable annual supply fee of \$40 is due upon initial registration. This fee helps to provide craft materials and snacks for the year.

BILLING (LATE) FEE

Tuition not paid by the 23rd of the month for the NEXT month will have a \$7 billing fee added to the account (for example, September tuition is due by August 23rd).

Please note: This is a program that requires a monthly tuition. You are responsible for payment WHETHER OR NOT YOUR STUDENT COMES until the time you notify the office that your child will no longer be participating. Please do not rely on your child to verbally let us know that he/she will no longer be attending classes.

DISMISSAL FROM THE PROGRAM

Sonshine Academy reserves the right to dismiss students from the program. The following will be cause for dismissal:

- Failure to pay fees and tuition
- Consistent discipline problems (see page 8, "Discipline Policies")
- Physical or emotional needs which cannot be met by our staff
- Consistent failure to follow our policies

DRESS CODE

Children should wear clothing that allows them to run, jump, roll, turn upside down, hop, skip, jump and be active (i.e. shorts and t-shirt). If your daughter wears a dress, she must wear leggings or shorts underneath. We also ask that during this time, girls have their hair pulled back and out of their face. This allows for less touching of the face.

Drop –Off/ Pick Up

Students will enter and exit through the “glassed in” passcode entrance, which has two sets of double doors. One for entry and one for exit. We ask that students be here by 9:05 and no later than 9:10. Students will be health checked by a staff member as they enter. Students who appear ill or who have a temperature of 100.4 will not be allowed to enter. Students will be asked to sanitize or wash their hands upon entering the building. Common areas are closed to parents and guardians. Students will line up at same double doors for pick up at 2:00.

REST TIME

Parents must provide a **2” nap mat or sleeping bag nap mat**. Parents also must provide bedding for their child to use during nap time. Bedding consists of at least 1 but no more than 2 blankets per child. Bedding should be labeled and will be sent home every week for laundering. The child may bring a sleep buddy, but we ask that it not be a distractor for the child or others.

LUNCH/SNACK

Parents need to send their child with their own healthy lunch each day. Keep in mind NOT to send items that need to be refrigerated or heated and NO nut products because of the possibility that other students may be allergic. Please send a shatter proof water bottle with the child’s name on it, daily in addition to whatever drink they have for lunch. Our kids are very active and need their water!

Potty Time

For potty-trained students: Parents need to send at least one change of clothes per day and if appropriate, can also send a “pullup” diaper for nap time.

PARENT COMMUNICATION

Sonshine Academy will keep parents informed through newsletters, text, emails, and social media!

Please notify our staff of any allergies. Some food items may be prohibited in certain classrooms due to extreme allergies.

Toys will be provided. Please leave personal toys at home.

Label everything with your child's name!

We want to know your child, which means we like to know when things are going on in their life! Please inform us if there are any changes going on in your household that would affect your child (death in the family, deployment, separation etc.)

WEATHER RELATED CLOSINGS

Generally, Sonshine Academy will follow the Conway School District for inclement weather closings. However, occasionally it makes sense for us to be open even if schools are closed so be sure to check either our website, social media pages, or answering machine message.

HEALTH AND WELLNESS

Each child should be well when attending MDO at Sonshine Academy. Children must be able to participate in all regular activities scheduled for the day. If your child is not feeling well, they should remain at home. Children may not be kept indoors during outdoor play. Children presenting symptoms will be separated from the group and parents will be notified for pick up. A child with a temperature of 100 degrees or above (taken orally) will not be allowed to attend until he/she has been fever free and symptom free for 24 hours.

A child may not attend with any of the following:

- **Diarrhea (3 or more times) during the previous 24 hours**
- **Vomiting (2 or more times) during the previous 24 hours**
- **Other conditions requiring examination by a physician such as skin rashes or red eyes with discharge**
- **Fever of 100 degrees or above (orally) during the previous 24 hours**

MEDICATION

No medication of any kind may be left in diaper bags, classroom cubbies, backpacks, or any area of the classroom. This includes Tylenol, Benadryl, or any substance with the label "Keep out of the reach of children".

Labeled medication for your child may be given with a written consent form.

ALLERGIES

Please notify our staff of any allergies. Allergies will be posted in each classroom.

EMERGENCIES

In the event of a medical emergency, parents will be called immediately. In a life threatening situation, an emergency medical service will be called to transport the child to a medical facility. If a child sustains an injury that does not require immediate medical attention, parents will be notified by phone or at pick up with a copy of a written incident report. Cuts and abrasions will be washed and bandaged.

Permission to Treat and Transport:

I, _____ father/mother/guardian of
_____ do hereby give my consent to the Director
of the Child Care Facility, or his/her duly appointed representative, for said child to
receive medical or surgical aid as may be deemed necessary and expedient by a duly

Discipline Policies for Mother's Day Out

Sonshine Academy uses the following methods in its discipline of students:

1. Acceptable Behavior
 - a. The teachers look for and praise behavior that is acceptable.
 - b. The children are reminded daily of the rules using clear, positive statements regarding how they are expected to behave.
 - c. A different "Character Trait" is emphasized each week through various stories, games, crafts, etc... to reinforce behavior that is desired.
 - d. When a misbehaving child begins to have appropriate behavior, the child is praised immediately for the appropriate behavior.
2. Unacceptable Behavior
 - a. A brief supervised separation from the group is used when the child does not respond to a verbal command instructing the child as to how he should behave.
 - b. If a child continues the inappropriate behavior after being warned verbally then the child is placed in supervised time out (not to exceed one minute per year of the child's age).
 - c. If a child does not change his behavior after having been in time out, a staff member will phone the parent or guardian of the child and inform them of the situation. The parent will speak to their child on the phone in order to affect a behavior change or determine if the parent needs to come pick the child up, whichever the parent and staff member together deem appropriate.
 - d. If a pattern (i.e. more than once) of unacceptable behavior becomes evident, and the above outlined procedures do not help change the child's behavior from unacceptable to appropriate, then the child can be dismissed from Mother's Day Out. Examples of unacceptable behavior: hitting, biting, pushing, excessive rough play.
 - e. Any child attempting to seriously harm another student or teacher will be dismissed from Mother's Day Out.

“I have read and understand the discipline policy of Sonshine Academy Mother’s Day Out Program. I give my permission to use all of the methods set out above.”

If the parent/guardian disagrees with any disciplinary method above, please list method preferred in the space below (use back if necessary): **[PLEASE NOTE: Physical or corporal punishment will not be administered to students by Sonshine Academy staff members.]**
